

Dear First Grade Parent,

We have attached Association for Library Services summer reading list for K-2nd grade. This list is a great guide for you and your child to explore new and exciting books this summer. Please find 15 or 20 minutes every day to read to your child or have your child read to you. A lifelong love of reading starts with you!

*Please choose one of the books from the list and have your child draw a picture and write one sentence or more about his or her favorite part. We will share these response sheets in class during our first week of school.*

Please let us know if you have any questions!

Thank you,  
Mrs. Inness and Mrs. Mollison
