

Healdsburg Montessori 2018 Summer School Information

500 Grove Street
Healdsburg, CA 95448
707-431-1727

The teachers have planned some very exciting activities for the children this Summer! The themes for our Summer school sessions are “Underwater Adventure,” “On the Farm,” and “Under the Big Top.”

Join us for an “**Underwater Adventure**” where we will be having lots of wet, messy fun! Come and play water balloon relays with us, build drippy sandcastles in the sandbox, make sculptures out of ice, experiment with watercolors and much more! *We highly encourage participants to dress in quick to dry clothing and/or items that are ok to get messy.*

Join us "**On the Farm**" for butter making, square dancing, baking, gardening and so much more! Together we will learn about the parts of plants and their life cycles, grow our own seedlings, learn how to build a scarecrow and do some baking! We will make mini pizzas with veggies, as well as homemade bread and butter! Yum!

Join us "**Under the Big Top**" for balloon painting, obstacle course construction, puppet shows, face painting and more! Together we will create silly clown hats, cheery circus pennants, and practice our juggling skills. We will also make personalized bean-bag toss games to bring home. We even have a popcorn machine, for authentic circus-popcorn treats! Fun!

All children will need to bring a lunch, we eat at 11:30 am. We will have snack at 9:00am and 2:45pm. We recommend a backpack (or bag with handle) with extra clothes for the week. We will be doing various “messy” projects and recommend that your child wears clothes that are okay to get dirty! We also recommend that you put sunscreen on your child each morning.

All tuition for summer school sessions is DUE May 18th (Friday). Please check the weeks you wish to attend below and then figure your tuition total for the summer and return the schedule request to the office by March 15th. We will return a copy of the schedule request form as confirmation of enrollment. We will send out an invoice via email. You may add days or sessions if space is available during the Summer by contacting the office.

We highly recommend a few weeks of summer school for all new students. It’s a nice relaxed atmosphere and it is a perfect opportunity for the students and teachers to get to know one another before the school year starts.

Healdsburg Montessori Summer Program Schedule Request form

Student's Name _____ Student's Birthdate _____
