# MEET THE MODERNISTS

Picasso, Miro, O'Keeffe, Matisse, Gauguin, Giacometti, Klimpt, Degas, van Gogh and Cezanne are just a few of the mid-19th to early-20th century Modernists students will explore during this class. Led by instructor Kelly Ebeling, we will discover their fascinating life stories, techniques and the break-throughs that made them famous.

Each class offers a fun project or two and students will keep a journal throughout the class.
